Good Afternoon,

Hope you had a great holiday and Happy New Year!

I wanted to let you know that the 30 day demo period (with a 30 day extension) allowing access to the Vigilant Solutions Commercial LPR & Facial Recognition database will be coming to an end today. I hope you got some use out of it and saw it as a valuable resource. If you need any assistance in the future, feel free to send an email to crt@vigilantsolutions.com and one of us will help you out. Everyone on the team is prior law enforcement and are here to support you in your mission.

If you would like to attend a future training on License Plate Recognition or Facial Recognition Technology please visit vslea.org.

If you do have any questions regarding pricing for database access or tools I can easily refer you to the right people.

Thank you,

Paige Burley

Good Afternoon,

I'm sorry to hear about the delay in people responding to you. I am going to forward this email up the chain to make sure it's responded to ASAP.

I'll also extend your LEARN account access until 12/30/18 to make sure you are able accomplish what is needed.

Please let me know if you need more assistance – do not hesitate to reach out!

Thank you,

Paige Burley

I know sales is not your department, but I seem to be having quite a bit of difficulty getting some basic information. Is there anyone else you can refer this e-mail to, who can help me?

I have not heard back from you. I was hoping to have an estimate and still have the 30 days access to the system, so I can show my bosses the estimate and the system at the same time.

Lance,
I will work on a quote for the department. We have the IDP package. Please provide the current number of sworn offices at the PD.

Thank you,

Steve Adair
